On October 1, 2020, a call for STBG, CMAQ and TA funded projects began in support of developing the FY 2023-2026 Transportation Improvement Program.

Project submittals were due to the MPO on April 1, 2021. MPO staff compiled technical data during April and multi-agency workgroups scored projects during May.

The MPO collected public input on funding priorities throughout June at www.alamoareampo.org/yourmove. Staff held a virtual public meeting on June 15, 2021 and solicited input online and through in-person feedback opportunities.

A workgroup of the Bicycle and Pedestrian Mobility Advisory Committees (BMAC and PMAC) met on July 15, 2021 to develop a recommendation of Bicycle and Pedestrian projects.
