- b. Action to Extend Terms of PMAC Citizens at Large positions until December 31, 2021**

Matthew Simmont motioned to extend terms of PMAC Citizens at Large positions until December 31, 2021. Christina Castaño seconded the motion. The motion passed unanimously. Robert Hanley and Darcie Schipull were chosen from the PMAC membership to serve on the BMAC-PMAC working group.

7. Announcements

There being no other business the meeting adjourned at 4:50 P.M.

**Pedestrian Mobility Advisory Committee
Robert Hanley, Chair**

4. Presentation on International Walk to School Day Efforts

International Walk to School Day is a global event that involves communities from more than 40 countries walking and biking to school on the same day. It began in 1997 as a one-day event. Over time, this event has become part of a movement for year-round safe routes to school and a celebration – with record breaking participation – each October. Today, thousands of schools across America – from all 50 states, the District of Columbia, and Puerto Rico – participate every October.

This year, Walk to School Day 2021 will take place on October 6, 2021.

Organizations are encouraged to participate throughout October. Here is more on how to get a start on planning and share the excitement for Walk to School Day this year:

- [Register](#) – this year families, neighborhoods and schools can all sign up!
- Check out the list of [20 ways to celebrate Walk to School Day](#) with your family, neighborhood or school.
- First time planning a school-based event? [Check out the Getting Started Guide](#). Be sure to adapt your event to align with local public health guidance.
- Follow Walk and Bike to School Day on [Facebook](#), [Instagram](#) and [Twitter](#) for the latest Walk to School Day news and event ideas.
- Share your event plans and photos on social media using the hashtag #WalktoSchoolDay.

Action Requested

For information and discussion only.

5. Presentation on Safety Performance Measures and Target Setting

The U.S. Department of Transportation (U.S. DOT) has implemented several roadway-related performance requirements created under MAP-21 and the FAST Act. The Transportation Policy Board (TPB) took action in January 2021 (as well as in 2020, 2019, and 2018) supporting statewide 2021 targets developed by the Texas Department of Transportation (TxDOT) and a comprehensive group of traffic safety stakeholders. The TPB will continue to need to take action supporting new statewide targets or setting regional targets yearly.

Safety performance measures focus on reducing the number of people killed and seriously injured in motorized and non-motorized crashes. By reporting targets in the Metropolitan Transportation Plan and Transportation Improvement Program, performance measures can inform planning and funding decisions in the pursuit of regional and national goals.

MPO staff will present proposed regional targets at this meeting.

Action Requested

For discussion and appropriate action. Action is scheduled for the November meeting.

7. Update on the Future of PMAC

At the August 18, 2021 meeting, PMAC members were presented with information from the 2020 BMAC and PMAC membership surveys and goal setting discussions (conducted independently amongst committees) and information about active transportation committees at peer MPO agencies. Following the presentation, PMAC members were led through a facilitated discussion to gather their opinions about the presented materials and finally, they were asked to take action on allowing current citizen-at-large members to serve on PMAC until December 31, 2021 and to choose members to serve on a BMAC-PMAC working group. Robert Hanley and Darcie Schipull were chosen from the PMAC membership to serve on the BMAC-PMAC working group, which will work on creating bylaws for a consolidated BMAC-PMAC committee.

MPO staff will provide an update on the BMAC-PMAC working group and the next steps in creating a single BMAC-PMAC group.

Action Requested

Discussion will determine any action to be taken.

8. Announcements

a. AAMPO & Partner Announcements

i. AAMPO Street Skills Classes (in-person)

1. Wednesday, September 15th @ 6:00 p.m.
2. Wednesday, September 29th @ 6:00 p.m.
