**Notes AAMPO Participation*

Bike Month Challenge: Ride Around Texas

Bike Month Challenge is all about celebrating your love of biking – and win prizes while you're at it – by participating in the National Bike Month Challenge.

Recorded bicycle trips on the free Alamo Commutes mobile app or website from May 1 to 31 and gave you a chance to win one of five \$100 gift cards.

This year, we challenged participants to ride enough miles to equal a ride around Texas – 3,800 miles! The more you ride the more you could win! (Prizes and gift cards are brought to us by our partner Agile Mile.)

Bike to Work Day

Bike to Work Day (BTWD) took place on May 20th this year and it was another great opportunity to encourage people to bike to work or thank them for already doing so!

This year we had **7 Energizer Stations** in our study area!

The poster features a red header with the 'BIKE TO WORK DAY' logo and 'ALAMO AREA' text. Below this is a map of San Antonio and New Braunfels with red bicycle icons marking Energizer Station locations. The bottom section lists seven stations with their addresses and times. A QR code is located in the bottom right corner, surrounded by the text 'BIKE TO WORK DAY' and 'OPEN CAMERA • AIM • TAP'. A footer contains a disclaimer and the website URL.

Street Skills Classes

Our Street Skills class helps to boost your cycling skills!

Participants receive a free helmet and light set upon completion of the virtual class.

This year we held one class on May 4th @ 6:00 pm at the AAMPO office.

Thank you to our partners!
