

**Alamo Area
Metropolitan Planning Organization
Project Selection Procedures - FY 2026**

In accordance with Section 134(h)(2) and (j) of Title 23 U.S.C. as amended and Section 5303(h)(2) and (j) of Title 49 U.S.C. as amended, the Alamo Area Metropolitan Planning Organization (AAMPO) Transportation Policy Board hereby approves the following Project Selection Procedures:

- 1) The approved Transportation Improvement Program shall be utilized for programming projects within the metropolitan planning area.
- 2) Any project listed in the first year of the approved Transportation Improvement Program shall be considered in the first priority and may be implemented as soon as plans are completed and funds are appropriated.
- 3) Should any projects not be implementable from the first priority, then projects should be selected from the second, third or fourth years which shall be considered the second priority, and those projects may be implemented as plans are completed and funds are appropriated.
- 4) Any projects listed in the second, third or fourth year of the Transportation Improvement Program may be accelerated to the first year of the Transportation Improvement Program as soon as plans are complete, including right-of-way and utility adjustments, and funding is available.
- 5) Consistent with Policy Board action taken on April 27, 2026, which temporarily waived Section C of Policy 3 regarding ineligible funding categories, grouped Control Section Job (CSJ) numbers are permissible to be utilized, as applicable, to streamline the Transportation Improvement Program project entry process.

This procedure was developed cooperatively between the Texas Department of Transportation, VIA Metropolitan Transit, and the MPO, signed this 18th day of May 2026.
